

CLUBS AND STUDENT LEADERSHIP

At WIC, we encourage students to follow their passion and contribute in a meaningful way not only to the WIC community, but to the world beyond. WIC, therefore, cultivates individual student growth by providing amazing club and leadership opportunities to explore areas of passion.

The clubs at WIC are student-initiated and student-driven, allowing students to dig deeper into areas of interest. Participation in one or more of our school activities contributes not only to the individual's growth, but also increases school pride and develops a strong sense of community. Clubs primarily take place during lunch, but may have before or after school commitments.

Some of the current clubs offered are:

- Book Club
- Common Ground
- Creative Writing
