

# Junior High School Highlights

Students join the WIC community for a strong, balanced Junior High School education. Gr. 7 - 9 are foundational years as the students explore and develop a better understanding of themselves as people and learners.

## Gr. 7

Grade 7, the first foundational year at WIC is very exciting; presenting with many exciting prospects such as the opportunity to make new friends, learn new subjects taught by different teachers, participate in interscholastic sports and a variety of clubs, plus become a member of one of the school's four Houses. The Gr. 7 Welcome Camp, pre-season volleyball camp, Midnight Madness, House competitions, field trips, STEAM & interdisciplinary activities, Journey 2050 and the Band concerts are just some of the engaging learning events that we facilitate for our youngest students.

## Gr. 8

Highlights of the Gr. 8 year are the Amazing Race, Innovation Fair, outdoor education, options, increased opportunities for school sports, physical education and fine arts.

## Gr. 9

Travel, outdoor education, leadership, sports, the Drama production, Band, PATs, Math and Case competitions, in addition to a host of other clubs and activities enrich the Gr. 9 academic program.
